Dear Joe,

I wanted to take a moment and thank you and Chouinards for the wonderful party that was highlighted by your catered food and staff. The event was one of the most successful that the Florida Holocaust Museum has had in recent years, and your assistance and flexibility was greatly appreciated.

The food was wonderful, the presentation was spectacular and the revues were highly regarded as overwhelmingly positive and pleasantly received by our guest of honor that evening.

There is no doubt that your amazing skills as a chef and your top-notch staff helped make the evening of our "To Life" VIP reception a memorable experience for each and every individual who attended.

On behalf of our staff, Board of Directors and our members who were lucky enough to be there, I want to extend a "thank you" for your efforts, your presentation, your food and your cooperation.

With Much Thanks,

Jay Kaminsky
